

**Cinderella enters closely behind**

**Malaria** What's she doing here, this is no place for her

**Rubella** Yes, get back to your work, where you belong

**Baroness** Not her sire, she's not worthy, she is just a kitchen girl

**Prince** I'll be the judge of that, I said all girls had to have the chance to try the shoe on. **(Turns towards Cinderella)** You, the girl from the market place. **(Gestures towards chair)** Please...

**(Cinderella takes seat and tries the shoe on)**

**Dandini** It fits, It fits. Hang on **(knocks on leg)** Just checking it wasn't false like last one **(stares at Rubella who looks away, Dandini then raises Cinderella up and leads her to the Prince)** Your Highness, may I present to you to your bride to be

**Prince** So you were the Lady Beauticia all along

**Cinderella** That is not my real name sire that is Cinderella. I had to make that name up to attend the ball

**Prince** But every girl in the land was invited to the ball

**Cinderella** I know sire but my stepmother and stepsisters forbade me from attending and had they known I was there I would have been in big trouble

**Prince** Right Dandini, have them thrown into our deepest dungeon

**(Baroness and sisters on hearing Cinderella have been edging towards exit but Tik and Tok and Buttons block their way to which they get on their knees begging forgiveness)**

**Cinderella** Oh sire, please don't, they are my family after all

**Prince** How kind of you, beautiful inside as well as outside

**Dandini** Right everyone, we have a wedding to prepare for, come along

**SONG** Fly Away

**At end of song everybody hurries off except Baron Tik and Tok/curtains close**

**Tik** Awww that's nice isn't it

**Tok** Yeah, lovely

**Tik** Shall we have a hug

**Tok** Have you still got that rash

**Tik** Yeah

**Tok** Then no..

**Baron** Well if we want to celebrate, why don't we all sing a song

**Tik & Tok** Yeah why not

**(Might be able to get Renegade in somewhere.**

**Audience participation/song sheet number at end of which all exit with comments of well enough of that time for the wedding etc.)**

**Curtains open on palace for walk down - Music Fly Away**
