

I'll Be There For You – Audition

Feel free to only sing the words not in the brackets for the chorus. However you're welcome to do them all!

So no one told you life was gonna be this way
Your job's a joke, you're broke, your love life's D.O.A.
It's like you're always stuck in second gear
When it hasn't been your day, your week, your month, or even your year, but

I'll be there for you
(When the rain starts to pour)
I'll be there for you
(Like I've been there before)
I'll be there for you
('Cause you're there for me too)
