

Let Me Entertain You – Audition

Feel free to choose the original key or the lower key version

Hell is gone and heaven's here
There's nothing left for you to fear
Shake your ass come over here
Now scream
I'm a burning effigy
Of everything I used to be
You're my rock of empathy, my dear

So come on let me entertain you
Let me entertain you

Life's too short for you to die
So grab yourself an alibi
Heaven knows your mother lied
Mon cher
Separate your right from wrongs
Come and sing a different song
The kettle's on so don't be long
Mon cher

So come on let me entertain you
Let me entertain you
