Give me a second I, I need to get my story straight
My friends are in the bathroom getting higher than the empire state
My lover she is waiting for me
Just across the bar.
My seat's been taken by some sunglasses, asking 'bout a scar and
I know I gave it to you months ago
I know you're trying to forget
But between the drinks and subtle things,
The holes in my apologies you know I'm trying hard to take it back
So if by the time the bar closes and you feel like falling down
I'll carry you home

Tonight____ we are young
So let's set the world on fire, we can burn brighter than the sun____
Tonight____ we are young
So let's set the world on fire, we can burn brighter than the sun____
