

(PC Pepsi and PC Cola enter and trap Aladdin who now looks like a human buckeroo)

PC Pepsi: Aha! Caught you at last, Aladdin!

Stall holders collect some of their items as the PCs speak.

PC Cola: You didn't think you could hide from us did you? Peking's most trustworthy police officers!

PC Pepsi: PC Pepsi!

PC Cola: And PC Cola!

Aladdin: **(penny drops. Speaking to the audience)** Oh, The Fizz! Sorry Officers, you must be mistaken. I'm not Aladdin. So why don't you two POP OFF! **(he tries to walk away)**

PC Pepsi: We know full well that you're Aladdin! You just told the audience in your opening speech. Now stop wasting our time, we're very busy coppers you know?

PC Cola: That's right. We've just finished arresting a man for eating fireworks.

Aladdin: What did you do?

PC Cola: We let him off!

PC Pepsi: Not only that. Some thief has stolen the toilets over at the Police Station!

Aladdin: Why don't you track him down?

PC Cola: We can't - we have nothing to go on!

Aladdin: That's all very well. But why are you after me?

PC Cola: You were caught peeping at the princess in the Peking Palace.

Aladdin: How could I resist? She's the most beautiful girl in the whole of China.

PC Pepsi: You know very well that commoners are forbidden to set eyes on the princess!

PC Cola: By order of her supreme Empress, the punishment for gazing at the princess is instant execution!

Aladdin: Come on lads, surely you can forget about all this. We're pals aren't we?

PC Pepsi: Sorry Aladdin, but it's our duty. If you're caught staring at the princess your head we will chop!

Aladdin: Well, if you chop off my head I shan't speak to you any longer!

PC Cola: He said we we're pals. We don't have many friends. Look at him **(they both stare)** What do you think?

PC Pepsi: Alright, alright - I'll tell you what. Seeing as your name's on the poster, we'll let you off this time around.

Aladdin: Ah, thanks lads.

PC Cola: But we'll be watching you very closely Aladdin! Do you hear me?

Aladdin: Yes, officer!

PC Pepsi: Now, come on Cola. We've got business elsewhere. I need you to help me look for a thief with one eye.

PC Cola: Alright, Pepsi - but why can't I use both eyes?

(PC Pepsi and PC Cola exit, chorus back on)
